

HARIHARASUDHAN

Software Developer Erode, Tamil Nadu

6369512910 — dgsh.hariharasudhan@gmail.com — github.com/Hariharasudhan-D — [Linkedin](#)

PROFESSIONAL SUMMARY

Detail-oriented Software Developer with hands-on experience in full-stack and frontend development using Java, Spring Boot, Hibernate, MySQL, HTML5, CSS3, JavaScript, and React.js. Strong foundation in OOP, DBMS, and Data Structures with experience building scalable backend APIs and responsive user interfaces.

Developed projects including a Student Feedback Management System and an online cake ordering website with WhatsApp integration.

TECHNICAL SKILLS

Programming : Java, JavaScript

Frontend : HTML5, CSS, React.js

Backend : Spring Boot

Database : MySQL

Core Concepts : OOP, DBMS, Data Structure, SDLC, Agile Methodologies

Version control: Git, GitHub

PROJECTS

Cake shop website

- Developed a full-stack Cake Shop website using HTML, CSS, JavaScript, and React for a responsive and user-friendly frontend.
- Implemented backend services using Spring Boot to handle business logic, user authentication, and order management.
- Designed and managed a SQL database for efficient storage of product details, customer data, and order transactions.

Student Feedback Management System

- Engineered a full-stack student feedback portal to seamlessly process and easily manage course feedback from users.
- Created a responsive HTML/CSS/JavaScript front-end and a robust backend API using Java Spring Boot, Hibernate, and MySQL for reliable data storage.
- Improved feedback collection experience, providing institution administrators with an organized table view to view and immediately respond to feedback.

PROFESSIONAL STRENGTH

- Chess Team Lead – Department Level First Prize Winner.
- Ability to handle high-pressure situations with a calm and focused mind-set.
- Effective time management and task prioritization. Excellent teamwork and communication skills.

EDUCATION

Velalar College of Engineering and Technology Thindal 2022-2026

B.E. Computer Science and Engineering

Navarasam Matric Hr. Sec. School
SSLC & HSLC

CERTIFICATION

- Infosys Java Certification
- NPTEL – Industry 4.0 and IoT
- CHESS – First prize in department level competition

Career Objective

To secure an entry-level Software Developer position where I can apply my technical knowledge, gain real-world industry experience, and continuously enhance my development skills while contributing to organizational success.

INTERESTS

- Travelling
- Playing chess
- Self-improvement
